**ST JOSEPH SCHOOL-Mrs. Michelle Hombs:  
Early Learning Center News**

ELC have been focusing on a fall theme for the past several weeks and will soon begin working with Advent and Christmas. **Kirsten Huff, ELC Director**, has been working hard to increase their numbers since the preschool aged children moved to the school. Within the last month they have gained 4 new kids. This year, it was great to be able to offer a preschool class at our school especially since there were new preschool opportunities elsewhere in the area. We are happy these preschool aged children stayed with us but it did cause the numbers to decrease at the ELC daycare. I look at it as an opportunity to expand our whole program which is from 6 weeks to 8th grade. The 2 and 3 year olds now each have their own room which allows for their different developmental needs to be addressed. Our infant room is growing and has just a few spots available. If you know of someone looking for childcare please have them contact the Early Learning Center at 492-6398, email at [elcdirector@stjosephmb.org](mailto:elcdirector@stjosephmb.org) or send them a message on Facebook.
