2020 Parish Pictorial Directory It's been almost five years since our last directory, so it's time to work on a new one. We have done one about every 5 years since 1991. Lifetouch will be

taking the family pictures at the KC Hall this year. As before, when you have your picture taken, you will get a free 8 x 10 photo and a free copy of the directory. You may purchase additional photos, but you do not need to purchase anything. **The dates we have scheduled are January 22-25, 2020, February 5-8, 2020, and February 28-29, 2020.** Hopefully we will have a mild winter next year. Please mark your calendars and we'll let you know next fall when we start making appointments. It won't be complete without you! I have been and will be taking pictures at Masses and various activities through the year and will be asking parish and school organizations to let me take pictures of officers and/or members and activities. *It would be helpful if you would let me know when something special is happening or, if you could take pictures for me and share them, that would be great. Also, if I see photos on Facebook that might be good for our directory, I will copy them and put them in my file of pictures to chose from. Thanks for your cooperation.*

ST JOSEPH SCHOOL-Mrs. Michelle Hombs:

POET Never Satisfied Grant... I am excited to share that St. Joseph School is one of the recipients of a \$500 grant. This was made available through the POET Biorefining Laddonia plant. The criterion for the grant was to never be satisfied and look for ways to improve the community in which we live. In filling out the grant we asked for funds to put towards purchasing smaller playground equipment for the PK/K to play on during recess time. Currently play on the ELC playground. The new playground would eliminate the need for them to cross the street providing a better more safe environment to play and learn. We hope to start this playground project soon after the close of this school year.

Calendar Changes... There are a couple of changes that have been made to the May calendar. Blue/Gold and baptismal anniversaries for May, June, and July will now be on **Thursday, May 9th** due to having our May Crowning Mass at 7:45 that morning. Also, Field Day will be on Monday, May 20th with the rain date on Tuesday, May 21st.

Graduation... St. Joseph School's graduation will be on **Sunday, May 19th** during the 9:00 a.m. Mass. If you know of someone from our parish who is graduating from high school or college and would like to be part of our graduation Mass or be listed in the program, please contact school so that we may include them. Thank you!

Congratulations... once again to our First Communicants who received their First Holy Communion this past Sunday. They all looked nice and did a fine job despite being nervous. Thank you to Mrs. Ashley Troesser and Mrs. Kelly Kuda for preparing them and to their parents for being their first teachers and guiding them down their journey of faith.

Registration Reminder... Registration is open for St. Joseph School. We have lots of room for students PreK thru 8th Grade. PreK is available both part-time and full-time. Contact school for more information.

VIRTUS Training... There will be a VIRTUS training held in St. Clement Parish at the school on **Tue, May 14th** at 6pm. If you are needing this training you may sign up at www.virtus.org.

Building Committee update regarding replacing Air Conditioning in St. Joseph Church-Recently, area contractors were invited to bid to replace our aging air conditioning system in church. The Diocese of Jefferson City warns the public of what appears to be an ongoing phishing scam involving emails and texts purportedly from priests or parish/Chancery staff. This scam has hit many parishes across the United States. The email or text purports to be from a person the target knows, such as one's pastor, a parish staff member, the bishop or someone else from the Church. If the target responds to the fake email or text, the sender will follow up with a request for some sort of monetary assistance, often for gift cards or iTunes cards. It is truly unfortunate cyber criminals will attempt to exploit the generous nature of our community. Sending emails or texts asking for cash or gifts cards is not how priests, parishes or the Diocese of Jefferson City seeks financial assistance for our work. If you receive an email or text from a trusted church personnel asking for assistance, confirm by calling that person and do NOT respond to the email or text. The FBI website address to file an online Internet crime complaint is <https://www.ic3.gov>.

Catholic Women's Organization regular meeting is moved to Wednesday, May 8th! As part of the parish Monthly Meal.

Resurrection Parish Monthly meal is Wednesday, May 8. Please bring a side dish or dessert to share!
